APRIL 2024

St. JOHN the BAPTIST PARISH

## NATIONAL LIBRARY WEEK

April 7-13, 2024

Race to St. John the Baptist Parish Library to celebrate National Library Week April 7-13, 2024! National Library Week was formed in the 1950s to promote a lifelong love of reading, and this year's "Ready, Set, Library!" theme highlights how the role of the public library has evolved over time. Today, libraries give us a green light to explore our interests, showcase our talents, and connect with others in a community space.

Meg Medina, 2024 National Library Week Honorary Chair, summarized the public library's impact: "Libraries connect our communities and enrich our lives in ways we may not realize, and one of my greatest pleasures is discovering the unexpected and beautiful things libraries offer." National Library Week includes Right to Read Day (April 8th), National Library Workers Day (April 9th), National Library Outreach Day (April 10th), and Take Action for Libraries Day (April 11th). You can take action by using St. John the Baptist Parish Library as a resource, no matter where you find yourself on the roadmap of life's journey.
