Lawn Care 2024.01

Landscaping 2024.02

Is the ditch at the Garyville library to be maintained by the parish or by the lawn service company? I am referring to the spray that is used inside the ditch, not the grass, which I know is the responsibility of the lawn care.

Yes, the ditch would be sprayed by the company.

Will there be any site visits?

Yes, there be site visits. On Monday, August 19th at 10am the Maintenance manager for the library will begin the site visits at Laplace, followed by Reserve and then Garyville. On Tuesday, August 20th at 11am our maintenance manager will meet at the Edgard location for that site visit.

Are vendors supplying a bid on their own company letterhead or do you have a standard form of your choice?

The vendors are supplying their bid on their own company letterhead.

We wanted to know if there is an incumbent and if so could you provide us with that contract number?

The current vendor, which is public information is Pelican Groundworks and their current contract figure, which is also public information, is \$1900 / month for all four properties.

Are there any sheets that outline each property to go off of?

No, site visits will be conducted on Monday August 19th at 10am LaPlace, followed by Reserve and then Garyville. Tuesday, August 20th at 11am at Edgard.
