November 2024 Newsletter of St. John the Baptist Parish Library

As we gather around the table with our loved ones on Thanksgiving, we reflect on the year's blessings and express gratitude for the opportunity to come home. Modern day libraries, nestled within our neighborhoods for easy accessibility, have strived to become a home away from home for everyone in the community. Our branches are a place where we can gather with others, challenge ourselves to learn new skills, and expose ourselves to new ideas. Even after you leave our branches, you can always access library resources online.

Load your phone, tablet, or e-reader with e-books and audiobooks from St. John the Baptist Parish's digital libraries for the holiday break. Overdrive/Libby, Hoopla, Odilo, Teen Book Cloud, and Tumble Book Library offer thousands of titles for all ages, free with your library card. Many of these resources also offer free movies, music, and other streaming content. This year, challenge yourself to check out items that inspire gratitude.

As you make preparations for a Thanksgiving feast, our digital libraries can also be a trusted resource for discovering new holiday recipes in cookbooks and video tutorials. Visit our library branches in November for in-person cooking demonstrations for children and adults. This month also marks the beginning of a "Dining with Diabetes" series promoting healthy food habits. Family members and caretakers are welcome to participate.

There's more to experience this month at our branches. St. John the Baptist Parish Library offers diverse programs all ages, including but not limited to Children's Book Week activities, a T-rex themed tea party, a gingerbread candy jar craft, book talks, a bonfire presentation, MakerSpace workshops, and a hunter's education certification class. Take a look inside to learn more; you might just find something new to be thankful for!

*Leaves are falling &
books are calling!*

Celebrate Children's Book Week 2024

November 4-10

Established in 1919, Children's Book Week is an annual celebration of books that aims to inspire a joy of reading within young people. Anyone, anywhere, can celebrate Children's Book Week, and this year we invite you to join "Club No Rules. Just Read." The only membership requirement is to read something - a book, magazine, comic, newspaper, poem, or even an instruction manual - during the week of November 4-10. Read alone, with a friend, or to a group. Read outside or inside, or in the weirdest place you can think of. Read fast or slow, for five minutes or five hours. There's no rules when it comes to reading! Visit St. John the Baptist Parish Library to pick up a Children's Book Week activity kit and make a paper bag book to start your reading adventure.

Autumn Penne Pasta

- | | |
|--|--|
| 1 pound chorizo sausage, thinly sliced | ½ cup heavy cream |
| 1 onion, finely chopped | 12 ounces pasta, penne or hearty style |
| 4 garlic cloves, chopped | ½ teaspoon salt |
| 3 cups chicken broth | ½ teaspoon pepper |
| 1½ cups diced tomatoes | 2 cups pepper jack cheese, shredded |

1. In a large, oven-safe fry pan add the chorizo and onion and cook on medium-high heat until lightly browned. Add garlic and cook until fragrant, only about 30 seconds or 1 minute.
2. Stir in broth, tomatoes, cream, pasta, ½ teaspoon salt, and ½ teaspoon pepper and bring to boil. Preheat oven to 400 degrees.
3. Cover pan and reduce heat to medium-low. Simmer, stirring frequently until pasta is tender, about 15 minutes.
4. Remove from heat, uncover pan and stir in ½ cup cheese. Top with remaining cheese, switch oven setting to broil and heat until cheese is melted and just starting to brown, about 3 minutes

This is the fall warm dish that you will fall in love with. You cook and serve all from one skillet. If you'd rather make this a less spicy dish, change out the chorizo with a kielbasa, and switch the pepper jack with mozzarella for a milder but still excellent taste.

Cranberry Apple Pie

- | | |
|--|------------------------------|
| 4 apples, Pippin or Granny Smith, peeled, cored, and thinly sliced | 2 cups cranberries |
| 1 cup sugar | ¼ cup raisins |
| 2 Tablespoons flour | 1 orange, zested |
| ¼ teaspoon salt | 2 Tablespoons butter, sliced |

1. Lay pastry crust bottom in the pie base. Cut the lattice strips for the top.
2. In a large bowl, add sugar, flour, salt, cranberries, raisins, apples, and orange zest. Mix well. Place mix into the pie base. Dot the slices of butter on top of the fruit mix. Add the lattice strips on the top. Brush the crust with heavy cream before baking
3. Heat the oven 450 degrees. Bake pie for 20 minutes, then reduce heat to 350 degrees. Bake for 40-50 minutes longer, until crust is browned and fruit is tender.

Allisons Secret pie tip: To prevent soggy pie bottoms, moisture proof your bottom crust. Seal the crust by brushing the inside of bottom pie crust with an egg white wash, or dust with combination of 1 Tablespoon of flour and sugar. Place crust in freezer for at least 20 minutes before assembling pie.
